EXTRAORDINARY MEETING & TISLR12 presentation by Dani Fried

As part of our strategic plan for 2016, ASLIA NSW is focusing on improving the transparency of our committee. We want you to know who we are and what we do. This aim has resulted in the decision to hold Extraordinary Meetings throughout the year. These are short special meetings which members will be welcome to attend, each meeting will be followed by a casual professional development session and attendance will attract NAATI Revalidation Points.

ASLIA NSW would like to invite members to the first Extraordinary Meeting which will take place on Friday 8th of April 2016, 6:00pm - 7:30pm at the Deaf Society of NSW, Parramatta Office and will be followed by a presentation of the 12th International Conference on Theoretical Issues in Sign Language Research (TISLR12) by Dani Fried.
